## Brighten Your Holidays With "Journey" Diamond Jewelry...The New Gift Of Love

This holiday season there is one special gift that graphically shows how your love has grown over time. It's called "Journey" diamond jewelry and it's available in a wide choice of styles, precious metals, diamond shapes, diamond colors, and in prices to suit any budget.

"Journey" is much more than a piece of beautiful jewelry. It has been specially created to convey a personal message that expresses the growth of your love not only at the holidays but all through the years. Each sparkling design features four or more diamonds that increase in size from smaller to larger as symbols of how love grows and expands.

Six popular "Journey" jewelry styles feature diamonds arranged in circles, curves, drops, hearts, ladders, and zigzags. And each is available in a choice of precious metals such as white, yellow, or pink gold, as well as platinum, palladium, or sterling silver.

You can also choose from a range of classic diamond shapes: round, square, rectangular, heart, teardrop, or oval. And if you prefer to celebrate your journey of love with colored diamonds, there's a rainbow of fancy colors available.

Whether your holiday gift is a pendant, ring, bracelet, necklace or earrings, new "Journey" diamond jewelry is sure to be the one gift that will always be remembered by the one you love.
