

*We Can Make  
Your Wishes  
Come True*

Dear Friends,

Did you ever wish for a beautiful piece of jewelry for the holidays and what you received just wasn't it?

Well, we can make your wishes come true. What we are creating is a Wish List. Here's how it works:

1. Simply visit our store, browse and select as many items as you would like to receive for the holidays or for that special occasion.
2. We will keep a registry of these items on your list.
3. Mention to your loved ones that you have selected several items at our store and that you are registered on our Wish List.
4. Have them stop in and give us your name, and we will show them the items you have selected. You've now made shopping for your gift an easy task.

Remember, there is no obligation. Visit our store and let us help make your special wish come true!

***New Years Fashion***

**WHAT WILL YOU BE WEARING WHEN THE BALL DROPS?**

**N**ew Year's Eve is always a special excuse to get dressed up in your finest clothes. Whatever outfit you select, there is a wide choice of elegant jewelry pieces to go with it...from dramatic contemporary styles, enchanting traditional designs, or fun flirty baubles.

For the fashion-forward look, choose jewelry with eye-popping color. For the retro-eccentric look, choose one of the latest fashion designs made-up of exciting geometric shapes. Newest creations feature pendants and earrings designed with stunning circles of sparkling white diamonds and delightful elongated teardrops.

If you favor a traditional look, remember that the customary New Year's colors are "black and white", symbolizing the birth of the New Year and the death of the old one. Classic black and white jewelry is always in fashion. Popular items include black and white pearls, black and white diamonds, plus opaque gems such as black onyx.

We wish you a Happy New Year!
